---

Dear Accounts Payable,

I am writing regarding the need of a completed Illinois CRT-61 form and a copy of your state issued Certificate of Resale/Sales and Use permit. Your business is receiving this letter due to Melrose either not receiving the above-mentioned documents, or the information that was provided is incomplete.

It is important that we receive the requested forms at your earliest convenience to prevent or remove any holds that may be placed on your account. Should your company have any pending order(s) with us, we will not be able to ship the order until we receive both the Illinois CRT-61 form and a copy of your state issued Certificate of Resale/Sales and Use permit. Melrose is required to have these documents on file for each of our customers in-order to adhere to and remain compliant with Illinois Title 86, Section 130.1405.

The CRT-61 form should contain the following information: Name, Address, Resale Number (including expiration date if applicable), Signature, and Date.

Please provide a copy of your Business License/Registry if you are in any of the following states that do not have sales tax: Alaska, Delaware, Montana, New Hampshire, and Oregon.

I appreciate your understanding and assistance with this matter and look forward to your prompt response. If you have any additional concerns, please do not hesitate to contact me.

Thank you,

*Jackie DeMoss*

## General information

### When is a Certificate of Resale required?

Generally, a Certificate of Resale is required for proof that no tax is due on any sale that is made tax-free as a sale for resale. The purchaser, at the seller's request, must provide the information that is needed to complete this certificate.

### Who keeps the Certificate of Resale?

The seller must keep the certificate. We may request it as proof that no tax was due on the sale of the specified property.

**Do not** mail the certificate to us.

### Can other forms be used?

Yes. You can use other forms or statements in place of this certificate but whatever you use as proof that a sale was made for resale must contain

- the seller's name and address;
- the purchaser's name and address;
- a description of the property being purchased;
- a statement that the property is being purchased for resale;
- the purchaser's signature and date of signing; and
- either an Illinois account ID number, an Illinois resale number, or a certification of resale to an out-of-state purchaser.

**Note:** A purchase order signed by the purchaser may be used as a Certificate of Resale if it contains all of the above required information.

## When is a blanket certificate of resale used?

The purchaser may provide a blanket certificate of resale to any seller from whom all purchases made are sales for resale. A blanket certificate can also specify that a percentage of the purchases made from the identified seller will be for resale. In either instance, blanket certificates should be kept up-to-date. If a specified percentage changes, a new certificate should be provided. Otherwise, all certificates should be updated at least every three years.
